

Competition rules

Deadline: Monday, April 3, 2006.

Art students attending a school in Massachusetts enrolled in an art or design course may participate.

Two designs are sought, as follows.

One side panel design to cover the sides of the bus under the windows. Dimensions: 195 inches wide x 48 inches high. Top section above the windows, that rolls to the roof. Dimensions: 195 inches wide x 20 inches high. Mount the art on 20 x 30 inch foam core board. Rear panel on the back of the bus. Dimensions: 84 inches wide x 91 inches high. Mount the art on 15 x 20 inch foam core board.

Submit the two pieces of art in digital formats and scale drawings on white paper mounted on foam core board.

The ideal design will be creative, fun, surprising, even comic and promote the use of public transit by a wide range of people.

Finalists and exhibitors will be notified by April 10.

Artists are responsible for delivery and pickup of artwork.

The Town of Framingham assumes no liability for the drawings. Artwork left after May 26 will be discarded.
